WORK

Founder, Lead Designer & Developer

December 2008 ~ Current

HelloThemes

www.hellothemes.com

Lead designer and developer for a theme development company with over 15,000 customers. My role is to design and develop themes every month and make sure they get released on time, including the marketing and promoting.

eCommerce Design & Development

August 2010 ~ Current

ScruplesDecor

www.scruplesdecor.com

I designed and developed their eCommerce website, aswell as migrated their old site to a new server. Made sure they were fully setup and gave them lessons on how to use Magento (eCommerce platform).

Design & Development

September 2007 ~ Ongoing

LanzaHomes

Designed, developed & integrated their website into WordPress.
